# La visión del superintendente de WA para K-12

## *WA Superintendent's Vision for K-12*

**...all students will have the opportunity to become proficient in two languages through dual language education by 2030.** These programs begin in Kindergarten and extend at least through 8th grade and preferably through 12th grade to fully develop biliteracy proficiency. In alignment with the 2017 Early Learning and K-12 Dual Language law (RCW 28A.630.095), Superintendent Reykdal's vision focuses on closing opportunity gaps and prioritizes English learners and Native American students for dual language programs.
